

The first mission from the Great Library is to recover four scrolls of elemental power. There need some back story/etc but worry about that later.

Four elemental dungeons—each will pair a humanoid/undead w/ elemental in various ways.

Locations:

Fire - forge (fire mephit/etk + kobolds)

Earth - cave (shrunken hill giant + goblins + earth meph?)

Air -

Water -

Decisions: start in town or on road? mysterious need to find location, or obvious?  
↳ first few known, need clues to others?

Rough order of challenge:

(Earth = Fire) < (Water = Air)

Should have maps to these locations, which are close together

Earth:

Take shrunken hill giant cue from Head of Gym Cult module and extend it a bit

-things to add:

- Someone/thing for them to talk to
- interact with earth elemental types
- Some puzzle?

Monsters:  
goblin  
goblin swarm  
hill giant (shrunken)

Rough order of challenge:

(Earth = Fire) < (Water = Air)

Should have maps to these locations, which are close together
